Attn: The Commission

SUPPLEMENT TO OPPOSITION TO APPLICATION FOR REVIEW

Citicasters Licenses, L.P., licensee of Station WMRN-FM, Dublin, Ohio (formerly Marion, Ohio) and CC Licenses, LLC, licensee of Station WSRW-FM, Chillicothe, Ohio (formerly Hillsboro, Ohio) (jointly "Clear Channel"), by their counsel, hereby supplements the record in this proceeding to report two recent events.¹

1. The *Report and Order (R&O)*² and the *Memorandum Opinion and Order*³ in this proceeding held that the issue of whether Clear Channel complied with Section 73.3555 of the Commission's Rules should be considered at the application stage. On October 5, 2007, the Chief, Audio Division, granted Station WMRN-FM's application implementing this rule making proceeding and held that the Columbus Metro was large enough (at least 45 stations) to permit Clear Channel to own a 5th FM station in the market pursuant to Section 73.3555(a)(1)(i). No petitions for reconsideration of the grant of WMRN-FM's application have been filed and,

¹ Clear Channel has filed a separate Motion to Accept this Supplement.

² 20 FCC Rcd 6305 (MB 2005).

³ *Aff'd* 21 FCC Rcd 7263 (MB 2006).

therefore, the issuance of the permit is now final.⁴

2. Attached as Exhibit 1 is the list of stations which comprise the Columbus Metro Market as compiled by BIA. The number of stations is 46 (not including Station WMRN-FM, Dublin, Ohio).⁵ The Audio Division's October 5, 2007 letter relies on the inclusion of Station WHIZ-FM in the Columbus Metro.

3. Secondly, the Commission's decision in MB Docket No. 05-210, *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, requires all stations to change community of license by minor change applications rather than by rule making. Thus, for future cases, since there will no longer be any rule making requests to change community of license, no purpose would be served to reverse this longstanding, established policy to have the multiple ownership compliance decision made at the application stage.

Accordingly, in view of (1) the issuance of the WMRN-FM permit; (2) the current number of stations in the Columbus Metro (46) (without Station WMRN-FM); and (3) the Commission's decision to require stations to request city of license changes by application rather than rule making, Clear Channel urges the Commission to reaffirm its Section 307(b) decision to allot Ch. 294B1 to Dublin, Ohio and modify the license of Station WMRN-FM to specify Dublin, Ohio.

⁴ On November 1, 2007, Sandyworld, Inc., licensee of FM Translator Station W294AH filed a Petition to Stay the grant of the WMRN-FM permit pending the outcome of this rule making proceeding. However, Sandyworld, Inc. did not file a petition for reconsideration of the grant of this permit.

⁵ On December 19, 2006, new noncommercial educational Station WHKC, Columbus, Ohio, was added to the Columbus Metro list and on October 5, 2006, Station WHIZ(FM) was added. See Exhibit 1.
